# Introduction

The Seniors Enquiry Line regularly speak at seniors' groups, support groups, retirement villages and community events. Out in the community, we connect with many other community education providers. We have collated a list of community education providers across Queensland and would like to share it with the community. We have named this resource the Directory of Community Education Providers and has been previously referred to as the Guest Speakers List.

This directory acts as a brief introduction to various organisations and the topics they may be able to present. Some speakers may have formalised presentations or workshops. Some may be more flexible in how they share their information. Only generalised information has been included to ensure that the information remains correct and current for as long as possible. Please note that catchment and target audience is a guide only.

## Purpose of resource

The purpose of this resource is to make finding community education providers and guest speakers easily accessible for all. This resource collates information of many guest speakers from across Queensland who cover various topics.

### How to use this resource

We encourage you to contact the service directly to find out more about how they facilitate their community education, discuss whether they meet your needs and booking process.

### What services and organisations are included in this list?

This list features people whose role in the community sector is to provide community education or guest speak at community groups/ support groups/ peer support groups, retirement villages, community centres or service providers etc. It also features organisations that can attend community events and expos to speak or share information about their services. It may also include people/ services who have expertise on a specific topic and can share this expertise to community or service providers.

## Corrections/ Additions

The information included in this resource has been provided to the Seniors Enquiry Line by organisations who wish to be included in the information in the list or was sourced online from the organisation's website. The Seniors Enquiry Line is not responsible for the accuracy of the information.

If your service provides community education or facilitates information sessions or guest speaks at community groups, and would like to be included in this list, you can provide information via online form <https://forms.office.com/r/nE6HcFV3NH>. Alternatively, you can contact the Seniors Enquiry Line on 1300 135 500 or email Emily directly at [emily.gould@ucommunity.org.au](mailto:emily.gould@ucommunity.org.au).

We wish to ensure that this document remains current, and all information is correct. If you have already provided your information and there have been changes to your service, contact details etc, please email Emily at [emily.gould@ucommunity.org.au](mailto:emily.gould@ucommunity.org.au) so we can update this document.

## Queensland Police Service

Queensland Police Service has several teams such as Crime Prevention Unit which provide community education. QPS has officers and Volunteers in Policing that can provide free talks on personal safety, home and business security, domestic and family violence, what to do in an emergency and more. For more information and to discuss booking process, contact your local [District Crime Prevention Co-ordinator](#) listed below and then each District can ascertain who is the most suitable person to conduct the relevant presentation.
