InfoChat is Back!

The Seniors Enquiry Line operates a free, telephone helpline which provides information and referral support. Queensland Seniors contact our helpline when they have a question or a concern. We provide the information they need and link in with supports available to help.

InfoChat aims to contact Queensland Seniors directly to provide information and updates on supports available to them.

By subscribing for this service, you will receive a call monthly from one of our friendly helpline staff to check in and have a discussion around the topic of the month. These calls are a great way to remain up to date on issues which impact Queensland Seniors.

If you would like to find out more about InfoChat, please contact the Seniors Enquiry Line on 1300 135 500.

If you would like to sign up for this service, please email us at sel@ucommunity.org.au and we will be in contact.

Lime Cheesecake

Ingredients:

Your favourite pie crust
4 egg yolks
1 egg white, lightly beaten
 $\frac{3}{4}$ cup lime juice
1 $\frac{1}{2}$ tsp lime zest
395ml sweetened condensed milk
 $\frac{1}{2}$ cup sour cream
Whipped cream (optional)

Method:

1. Preheat oven to 190°C
2. *If the pie crust has not been pre-cooked.* Brush the pie crust with lightly beaten egg white, then bake for 5 minutes.
3. Reduce oven to 175°C
4. Combine egg yolks, lime juice, lime zest, sweetened condensed milk and sour cream in a medium bowl. Whisk until smooth.
5. Pour mixture into the prepared crust.
6. Bake for 15 minutes then remove from oven and let cool to room temp.
7. Chill in fridge for at least three hours.
8. Serve with whipped cream, if desired.

What is Malware?

Malware refers to malicious software which is intended to impact functionality, damage or spy on the device.

Malware allows scammers to steal your personal information such as passwords, location history or contact list. Malware allows scammers the ability to steal your documents and photos. As we store a lot of personal information on our devices, it is important to be vigilant.

Examples of common malware includes viruses, worms, Trojan viruses, spyware, adware, and ransomware.

How do Scammers Convince us to Download Malware?

Scammers can be incredibly convincing and they are good at what they do. The number one way they trick us to download malicious software by opening hyperlinks or open an attachment. Hyperlinks

If you aren't 100% certain the hyperlink or attachment is safe, it's not worth the risk.

What to do if your phone has Malware

If your phone has been infected with malware, it is important to act fast. Do not enter any personal information such as passwords or log in information. Contact an IT professional and organise for your phone to be cleaned and factory reset. Unfortunately, you are likely to lose a lot of information, contact list and photos however this is important that your personal information does not fall into the hands of scammers.

More Information

For more information, we recommend the [Scamwatch](#) website. If you are concerned you have been affected by a scam, please contact the Seniors Enquiry Line on 1300 135 500 for information and referral support.

Seniors Enquiry Line's Scams Awareness Project

Some scams, you can immediately identify as a scam. You end the call, delete the text message or email and don't give it a second thought. Some scams though, are so convincing and plausible that you may not know what you are supposed to do. In these moments, you can contact Emily at the Seniors Enquiry Line to discuss your concerns and receive information and referral support. We are also able to facilitate in person or virtual information sessions which provide understanding to how scammers convince us and how we can protect ourselves from scams.

If you need someone to talk to or would like us to attend your Seniors group, community centre or retirement village, call us on 1300 135 500.

Queensland Seniors Month

For the second year in a row, Seniors Day will take place over the entire month of October.

The month opens with [United Nations International Day of Older Persons](#) on Saturday the 1 October and ends with the [National Grandparents Day](#) on Sunday 30 October.

The theme of this month this year's Seniors Month is Social Connections.

Throughout October, services across the state will be hosting events to celebrate.

There are events focused around cooking, craft, social connections, exercise or sharing information. There will be events of all sizes from large expos to small morning teas.

You can find in person or virtual events by visiting the COTA Queensland Seniors Month website - <https://qldseniorsmonth.org.au/>

Can't find the type of event you are looking for? Why not host one yourself!?

If you want some help to find Seniors Month events in your area, you can call the Seniors Enquiry Line on 1300 135 500.

Grandparents Day

Grandparents Day is Sunday 30 October 2022.

The relationship a child shares with their grandparents is incredibly special. This day acknowledges this relationship and also the support grandparents provide to the child and their family.

Many libraries will be hosting events such as Storytime or fun activities such as arts and crafts or even 'build a marble maze'.

We encourage you to contact your local library to ask if they have any Grandparents Day activities.

We would love to learn more about you!

Do you have a recipe, event, story or joke that you would like to share with other readers?
We want to hear from you!

Seniors Enquiry Line might feature these in our future newsletters.
